

# Angel Road Infant School News

Edition 15

## AFTER SCHOOL CLUBS

As usual we are offering a wide variety of clubs this term for children in Years 1 & 2. These include: Capoeira, Science by 'Inspire', Digi-club, Art, Puzzles & Games, Multiskills, Tennis, Football, and Street Dance.

Miss McIntosh's Art club is always popular and she would like to accommodate more children. If there are any CRB checked parents who could volunteer themselves on a Wednesday between 3pm and 4.30pm please have a chat with Miss McIntosh in Year 1.

## Welcome Back!

I would like to extend a warm welcome to all of the new reception children and their parents and to those of you with children moving through the school. I hope all of you had a good summer.

We have no new additions to the teaching or support staff this year. However, we do welcome back Mrs Wheaton to our reception classes. Mrs Wheaton has been away from school recovering from illness but is now with us again part time and we are very pleased to see her back.

*Mr Len Holman*

## WWW.....

We are currently working on our school website and are seeking a parent or group of parents who could help us manage this. If you have the time and skills (or would like to learn) please talk to Mr Holman.

There are lots of other exciting things planned for the children this year including the building of a new library and also a Chocolate week in the Spring term!

Any parents wishing to speak with me will find I am available on Mondays, Wednesday afternoons and Fridays. If urgent don't hesitate to contact me at the junior school.

### High Quality Physical Education Chartermark Award

I am delighted to inform you that Angel Road Infant School has recently been awarded the High Quality Physical Education Chartermark from Norfolk County Council. This highlights our significant commitment to P.E. and recognises and celebrates our dedication and excellence in this area of the Curriculum. A special thank you to Mrs Burroughs for putting forward our application and congratulations to all the members of staff involved in teaching P.E.

### Collection of Children

If you have not already done so, please return the letter given out last week asking for details of which adults are to be collecting your child from school. Please also remember to update us if your arrangements change during the year. The safety of your children is of utmost importance.

### Safety

We must insist that Year 2 pupils and their siblings do not play on the Adventure playground before and after school as we are not insured for any accidents at these times.

Year 1/ Reception children are not allowed to play with school equipment and resources that have been prepared for lessons outside their classrooms. Staff spend a long time getting equipment ready for learning.

Could all parents please keep your children near you while waiting in the school grounds.

### Security

Parents please inform your child's teacher or teaching assistant when your child is going home with another parent. We cannot accept information for after school arrangements from your child. A message in person, a note or a phone call are good ways of getting a message to school. Thank you

### Uniform

**As you know uniform is compulsory at Angel Road Infant School. Uniform can be ordered from the school office and cardigans are now available. If you cannot afford a new one we sometimes have a small selection of second hand school jumpers which we are happy to give away. Please come and see Linda Harrowven in the school office.**

**It is essential that all of your child's clothing is labeled with their name, there are pens at the office you can use.**

### As promised here are the diary dates for the whole term...

|                                |   |
