Reception Year News

Edition 2

Mrs M Robinson
teaching assistant Miss
Crosby's class

Apologies for not including Mrs Robinson's photograph in the last newsletter but one has not been available until now.

All of the reception children joined the whole school for our weekly awards assembly today. I was delighted at the way the children conducted themselves. They entered quietly, were very well behaved and sat beautifully throughout. They have made a great start to their time here at school. Long may it continue!

Attendance

Well done to Miss Crosby's class their attendance has been so good that they have won the weekly school attendance award for the last 3 weeks!

Information About the Start of the School Day...

Could I please clarify a misunderstanding that may have occurred about the start time of our school day. The reception class doors will be open to receive children from **8.40am** onwards. We ask that children be in school by **8.50am** and that they are sitting ready in class to begin their school day at **8.55am**. The gate through to the playground is locked again at 8.55am.

I understand that the classroom doors have not been opening until 8.50am. This is an error on our part and I apologise for any inconvenience caused. In the event that pupils arrive after 8.55am they will unfortunately have to be recorded as late. Your cooperation in ensuring that your child arrives ready to start the school day at the appropriate time is important and greatly appreciated.

Many thanks

Len Holman
Headteacher
