

Angel Road Federation of Schools

There are a number of areas of school life where we need your written consent. These have been summarised below, but you are welcome to talk to school staff at any stage for clarification.

CHILD'S FULL NAME:	CLASS:
---------------------------	---------------

	Permission granted	Permission refused
<p>E Safety The children will have access to the internet and other ICT facilities at school. The school takes every reasonable step to prevent the children from accessing inappropriate materials through the use of a filtering system. The children will be expected to follow our e-safety rules. The school can check the children's computer files and monitor their use of the internet.</p>		
<p>Photography Photographs and video may be taken of children at school as part of the curriculum, in school events such as music performances or sporting activities, or to promote the school on the website, in the media or school documents. Names will not published next to images.</p>		
<p>Educational visits The children will engage in learning outside the classroom as part of the curriculum. This could involve leaving the school grounds to visit other places in the locality, under the supervision of school staff. This may be a short walk along the footpaths around the school, or a visit to a local church or park. These visits will always take place during normal school hours. You will receive information about these activities before they take place.</p>		

Food tasting

Various food and drink may be tasted, smelled or prepared in the course of the children's learning. Although the main admissions form asks for medical details it would be helpful to provide specific information on this form.

My child should not taste and/or touch the following foods:

Allergies (including asthma, eczema)

My child has the following allergies (please include asthma, eczema and use of plasters)
