

Angel Road Infant Newsletter

Welcome back!

We would like to welcome all the new children and families that have joined Reception and through the two schools. We hope that the first few days at Angel Road have gone well and if there are any problems or questions please do speak to your child's class teacher or to one of the office staff.

A new school year is also an important time for all those children moving through the school into new year groups and classes. Again we encourage you to speak to us if you are unsure or concerned about anything.

Teachers try to be available at the entrances to the buildings at the beginning or end of the day for any quick questions. If you want a longer conversation it is best to make an appointment so that enough time can be set aside. Members of the leadership team are also happy to see mums, dads or carers to listen to any concerns.

If you need to come into school please sign in at the office as we need to know which adults are in school so that we can keep the children safe.

Parking

A number of our neighbours have been in touch over the summer asking for our help. During term time they regularly experience being blocked in or out of their properties. If you have to drive, please park considerately. The Angel Gardens car park is for customers only but there is some space in Waterloo Park.

Above all we need to think about the safety of the children. The best option is to walk to school but if this is not possible please allow time to park a little away from the school and walk to and from your car. Thank you!

School

Uni- form & Equipment.

8th September 2017

Please can we remind you to label all of your children's clothes and belongings. This way we should be able to keep lost property to a minimum.

Every child should bring a water bottle to school so that they can remain hydrated throughout the day. Staying hydrated makes for better learning.

Friends AGM

Angel Road Friends AGM meeting
