## Car Parking

It has been brought to our attention that some Mums and Dads are parking illegally and unsafely outside school. The school car park and Children's Centre car parks are for disabled parking and staff parking only. It is against the law to park on double yellow lines and we must keep the school driveway clear for emergency vehicles. If you need to leave your car somewhere when you drop and collect from school, Waterloo Park has a large free car park.

## Silver Community Centre

Around the corner from our school is the Silver Road Community Centre which is well used by Angel Road children and parents. SRCC is in a competition for funds for solar power so that the centre will be more environmentally friendly and have more money for community projects. As an eco-minded school, and as we know children benefit from the centre, we'd like to let you know how you can support SRCC in the competition.

Visit -

[www.mandsenergyfund.com/projects/silver-road-community-centre](http://www.mandsenergyfund.com/projects/silver-road-community-centre) to find out more and vote for SRCC to win. At time of writing they were in second place, close behind a Ipswich tennis club, so your support could really make a difference to bring the funding to our local community centre.

**06th October 2017**

Anti-bullying Week 2017 is being held between the 13th and 17th November and is organised by Anti-Bullying Alliance. To link with this Thursday 10<sup>th</sup> October was Friendship Day in school. We were joined by our GR8 as UR friends who spoke to us in assembly and visited some of our classes to talk about STAR Steps. We follow these steps to be happy and safe in school. Please see the attached sheet for more information about how we deal with bullying in school and what parents can do. Your children should be able to tell you about STAR steps.
