

Angel Road Infant Newsletter

Building work

You will have noticed that the fencing around the building work has been removed at the Junior School. The work is nearing completion which is good news both for the day to day running of school but also our pending conversion to an Academy. We remain on track for becoming part of the Diversa Multi Academy Trust on April 1st next year.

Flu Vaccination

It has been brought to our attention that the Flu Vaccinations, which are administered in a nasal spray, include **gelatine**.

If you are concerned about this, the advice from the NHS is to contact your GP.

Many thanks for your help and support on this.

Department for Education monitoring visit

Both schools were visited by a Department for Education Adviser last Thursday. As the process of becoming an Academy has been drawn out by the building work at the Junior School and the land registry at the Infant School the Department for Education has been monitoring our school improvement progress. Although the visit was brief, the Adviser was impressed with the teaching and learning that she observed and feels that both schools continue to improve. It is always useful to have an external view of our work and the positive feedback allows us to move forward with confidence.

Christmas Fair

Friday 15th December 3:15 - 5:00

With the Christmas Fair approaching the Friends Committee are keen to hear from anyone who is able to help out—friendsofangelroad@gmail.com We also need the help of the children to design posters advertising the fair. The winning designs will receive a VIP pass ticket for the fair, entitling them to free goes on the games and refreshments at the fair.

Entries should be handed in to either school office by Monday 20th November.

Christmas Lunch 18th Decemeber.

Bookings are now open for Christmas Dinner. Please book this, no later than 1st December, the normal way via the School Money Website.

Merry Christmas
