Cold Weather

As we are beginning to endure some cold mornings it is important for everyone to take extra care and keep safe.

When there is a heavy frost we will grit the pathways from both gates to the office entrance and along the path to Year 1. We will aim to grit a diagonal path across the back playground but if it is not possible to do this safely we will close the playground and families will need to come through the school to their classrooms.

Please keep to the areas that have been gritted.

Online Safety Talk - Wednesday 13th March at 9.15am in the infant school hall

Computing and technology are such a big part of children's lives now in both positive and negative ways.

Miss Elliot from Y2 invites you to a talk for parents to discuss these issues and make you aware of what you can do to support your children in this area and help keep them safe online.

We do hope you can stay after you have dropped your children at their classrooms.

Superheroes

Children in Year 2 have been exploring the world of Superheroes to inspire descriptive story writing and poetry. They have created their own heroes, super powers and costumes.

The learning was enriched by a workshop with Aqua-Dan! The children challenged themselves by thinking about gender stereotypes and extended their vocabulary with adventurous word choices.
