## **Attendance Rewards**

Thank you to those parents who responded to our consultation about attendance awards. The views expressed were very similar to those discussed by the School Oversight Team earlier in the term. It seems families acknowledge the need to promote and reward attendance but would like to see more recognition for children who have only missed days for unavoidable reasons.

This is sometimes difficult to judge but we will be looking at ways next term to identify and recognise these children. At the end of this term we will still award stars for 100% attendance but will also celebrate those children with attendance over 98%.

We will continue to refine this for next term.

## **Data Sheets**

Please can we remind you to return your updated Data Sheets, that were sent a few weeks ago, to the office asap.

## **Parent Survey**

We have been promoting the Ofsted Parent View survey at our recent parent evenings. Ofsted use this information when they inspect schools and we also use your responses. We plan to look at the surveys in detail at the end of term to inform our school improvement work.

We are hoping that by promoting the survey we will have a full and up to date picture of the views of mums, dads and carers.

Please take some time to complete the short survey at:
