

7th May 2019

Dear Parents / Carers

Pavilion Playschool

The Trustees met on Wednesday 3rd April 2019 to consider whether it would be viable to take over the running of Pavilion Playschool and to incorporate it into Angel Road Infant School. This is a complex matter, and the Trustees considered the issues very carefully.

Their decision was that, subject to certain considerations, they hope to take over the running of the Playschool. They will meet again on Wednesday 17th July to finalise this decision.

The first part of this process is for the Trustees to consult parents, the Local Authority and other local providers to inform them of this proposed change of age range for Angel Road Infant School.

I would urge you to look at the attached consultation letter and respond in writing within the given timeframe, stating your views.

If you would like any support producing your letter please speak to Playschool staff or come to the school office.
