

Angel Road Infant Newsletter

06.09.2019

Welcome back!

We hope that you all have had a relaxing, fun and reviving Summer holiday!

We are all looking forward to a successful year ahead and to working together to achieve the best outcomes for all our learners!

Meet and Greet Friday 13th September.

Please come along to our 'Meet and Greet'. It is an opportunity to say hello to your child's new teacher and see their new classroom in an informal, relaxed way, and ask any questions you may have. Pop in anytime between 3.05pm and 3.30pm for a chat.

Healthy School

We are a Healthy School and we teach the children about the importance of eating a healthy diet, drinking water, getting the right amount of sleep, talking about their worries and exercise.

Please support us with this by sending your child to school every day with a named water bottle. A healthy break time snack will be provided.

Please remember, sweets, chocolate bars, energy drinks, chewing gum etc. are not allowed to be consumed within the school grounds.

Kindness

Throughout the year, we have themes that we talk to the children about.

Kindness is key to the way we get on with others.

Research suggests that when we say a kind thing or do a kind act, not only does it make the person on the receiving end feel good, it makes us feel good too!

Please support us by having conversations about kindness at home.

What does it mean to be kind? For example,

- Saying something nice about someone's work, idea or effort.
- Working as a team and listening to everyone's ideas and opinions.
- Celebrating our differences and similarities and making everyone feel valued.
- Sharing resources.
- Letting others join in with your game.
- Holding a door open or letting someone line up in front of you.

Working together

If you have something on your mind and would like to talk to Mrs Moody, Head of School, or Mrs Farley, Deputy Head; please make an appointment via the school office.

We would love to hear any positive thoughts, ideas or comments, as well as helping to resolve any issues that may arise during the year.
