Dear Parents,

Thank you for taking time to complete this survey. It is anonymous. This is an unprecedented time in education with the majority of pupils across the country remaining at home. To help us continue to provide the best possible provision for your child, we will use the results of this survey to inform our next planning steps. If there is anything you are worried about, please contact your school, they will be glad to help you. The information you provide to us today is invaluable to our planning and feedback and will be passed onto the school, Local Governing Body and Trustees to ensure we get this right for you and your children!

Thank you

Lynsey Holzer
